First of all this guy is a complete wasteman a complete scam. this guy has magical powers thats all he has, no power to do anything the occult group is a scam. if you go there he will take 4000 GHC from you and his 2 useless brothers will tell you they are going to buy a black cow scam. they will go buy the heart of any animal they see and then take you with a bike to a desert where they hid their fake shrine because they know you cant locate that place even if you go there 50 times. He claims after joining the fake cultis he will give you money to build a house and buy a car that's a scam. i asked why the boy called KAY is still broke why haven't naatia giving KAY the useless house boy a house and a car. the boy KAY is the one to take you on the bike to the desert then after the stupid initiation he will tell you to give him 300 GHC for the ppl that killed the non-existence cow and 200 GHC for your uniform big scammers. after you pay all that then they give you some useless water to go bath for 3 friday's that's 3 weeks. this guy is a full time wasteman. check this video well when he called fire you will see he's got something in his hand when he is holding the black cloth he transferred the thing to the other hand the guy is a veteran in scamming ppl. i repeat do not go to naatia he likes desperate and vulnerable ppl seeking for any spiritual help. NAATIA SALIFU SHIRAZ is a BIG BIG SCAM WITH HIS 2 BROTHERS I DON'T KNOW THE FAT BROTHERS NAME THAT FAT COW AND KAY ARE THIEVES, THIS IS KAY'S NUMBER THE ONE THAT FINE TUNES YOU WITH FAKE STORIES 0549292725 SCAMMERS. after 3 weeks the real scam starts they tell you to buy a form for 700 USD thieves. when you go for instant money they will take your 10k GHC and the fat brother will hold your shoulder and perform a magic trick and you will see the money in the box with a letter that will ask you to buy some things and go do sacrifice in the beach they know there's no beach or sea in tamale so you have to leave and go to Accra or cape coast then after you've done that they will tell you there's an indian oil you need to buy so you won't die while spending the non-existent money that's where the trick is because you can't get that useless oil the oil is called genie yasi yasi this bastards are trained con men. i wonder why YOU TUBE WILL ALLOW THIS BASTARD USE THEIR PLATFORM TO SCAM PPL. i will report all his fake videos until it's taking off the internet. I REPEAT HE IS A BIG SCAM A TRAINED CON ARTIST, NEVER I REPEAT NEVER GO TO THIS THIEF HE WILL TAKE YOUR MONEY AND THREATEN TO WIPE YOU OUT OF THE EARTH WITH HIS FAKE god's TO SCARE YOU AWAY HE HAS NO POWER THE GUY IS A COMPLETE SCAM. SAVE YOUR MONEY AND YOUR TIME NO NEED TO EVEN TRY. I SAID I SHOULD TRY AND I CAN CATEGORICALLY TELL YOU HE IS A BIG SCAM QUOTE ME ANYWHERE. I WILL MAKE SURE HIS HOUSE IN TAMALE GETS BURNT DOWN HE IS A FRAUD. LET ALL OF US THE VICTIMS UNITE AND WAGE WAR ON THIS SCAMMER AND LETS SEE WHO WINS. WHO'S WITH
